Objects of our Order

PATRIOTISM
By Patriotism we mean **true allegiance** to the government of the United States of America and **fidelity** to its Constitution and Laws.

Patriotism is **devotion to our Country** which demands that we do our utmost to make our home, our city, our state, and our nation a better place in which to live.

In time of emergency we must give all we have of loyalty, service, savings, and sacrifice in the **defense of our Country** and Flag.
Objects of our Order

- Patriotism

Fraternalism
Fraternity requires that we attend all meetings of our Chapter if at all possible, to keep alive our contacts with fellow Patriots, to aid in the deliberations, and to offer suggestions for the good of the Order.

Fraternity means a kindly impulse towards all Patriots, a cheerful smile, and a firm handclasp of loyal friendship.

It also means that we cooperate with other veteran, patriotic, and civic organizations in worthy objectives.

Historical & Educational
Our aim is to keep alive the memory of our founding fathers and to honor the memory of General George Washington, who instituted the Purple Heart on August 7, 1782, at Newburgh-on-the-Hudson in the State of New York.

The Educational Objects of our Order are based on loyalty to our Country and reverence to God.

We advocate and participate in the teaching of our youth and new citizens about their heritage of American Citizenship with an appreciation of its responsibilities, as well as its rights and privileges.
Service to the Community

The hallmark of the MOPH is its programs that improve the lives of veterans, their families, and the communities in which we live.

In all cases, it’s not about WHO WE ARE, it’s about WHAT WE DO to make our cities, our states, and our Nation a better place to live and work.
Purple Heart Service Program

By far the largest of MOPH’s programs.

The Military Order of the Purple Heart Service Program exists to assist Veterans, ALL VETERANS, in working with the VA and filing claims for the many benefits that are available. You do NOT need to be a Member of the Purple Heart Organization to seek assistance.

The program provides VA certified veteran’s benefits experts at various Veterans Administration regional offices, hospitals, vet centers, and state and county veterans’ facilities.
The Purple Heart Foundation funds the operation of these programs with grants. The Service Foundation receives their money through various fund raising activities, such as thrift stores, the car donation program, and other donor programs.

The Order's Annual Operating Budget is approximately $9.75 million, of which $7 million goes to support the Service Program.

The Service program operates a nation-wide network of some 75 offices, staffed by 108 fully trained Service Officers and assistants; accredited by the Department of Veterans Affairs.

Department and Chapter Service Officers volunteer to assist Veterans and their families throughout the Country.
Purple Heart Service Program

Purple Heart Entities

In recent years, communities, sports teams, and other entities across the country have honored the service and sacrifice those American sons and daughters who were wounded or killed in action on the battlefields of the world.

For example, on George Washington’s Birthday, Feb 22, 2015, the City Council of New York City named NYC as a “Purple Heart City,” making it the largest such entity in the United States. The ceremony took place on the steps of Federal Hall where Washington was sworn in as our first president.

We also welcome feedback and ways to better serve our female members and female veterans in general.
